Tuesday, November 3 Tech Training

This program offers training and support on DRMS products to DHI service affiliate technicians and managers. Hear recommendations for test day and get answers to your questions. Learn how CowCompass for Techs, MilkMetrics and DecisiveDry can assist you in helping producers get the most from their herd.

Tuesday Tech Training

- 9:30 - 10:00 a.m. Registration
- 10:00 a.m. Common Test Day Recommendations and PocketMeter Questions Answered
- 11:30 a.m. CowPicker and Optimizing Test Day Data for the Producer
- 12:00 p.m. Lunch Provided
- 1:00 p.m. Delivering More to Your Producers through HerdHQ
- 2:00- 4:00 p.m. Service Affiliate and Lead Technician Training

Wednesday, November 4 Producer Discovery Day

Geared toward current and future users of DRMS products, discover how to get more from Dart and HerdHQ. The afternoon features Katie Schmitt, Industry Relations Manager, Council on Dairy Cattle Breeding (CDCB), presenting *From Management Insight into Genetic Tools: Realize the Full ROI of Your Data*. See how producer records contribute to research and innovation, leading to new tools and traits that deliver value back to dairy producers.

Wednesday, Discovery Day

- 8:30 - 10:00 a.m. Registration
- 9:00 a.m. Informal Dart/HerdHQ Q&A
- 10:00 a.m. Dart Tips and Update
- 11:00 a.m. Product Showcase – HerdHQ: See What's Happening in Your Herd
- 12:00 p.m. Lunch Provided
- 12:30 p.m. *From Management Insight into Genetic Tools: Realize the Full ROI of Your Data*. Katie Schmitt, Industry Relations Manager, CDCB
- 1:15 p.m. Analyzing Management Data in Dart and HerdHQ to Maximize Producer's ROI
- 2:00 - 3:00 p.m. Informal Dart/HerdHQ Q&A
