Tip Tuesday!

Sign up for free one-on-one training!

Want to dig deeper into your data but don't know where to start? Sign up for a FREE one-on-one virtual education session with a member of the DRMS Support Team! The perfect introduction for new users, learn additional tools to quickly analyze herd performance, or brush up on the newest features and benefits. We'll use your herd's information to unlock greater potential through chores and protocols, DHIA reports, HerdHQ, Trackers, and so much more. With the release of Dart 8.7, new genetic evaluations for Milking Speed, and the exclusive Fresh Cow Index, now is the ideal time to carve out some continuing education for yourself!

1. Navigate to drms.org. Scroll to bottom of page and select **Virtual Education**
2. Select a day that fits your schedule in the coming weeks and click **Sign Up**
3. Click **Save and Continue**
